Assembly

1 Insert the Uprights **2** into the Crossbar **1**

 2 Align Sideframes **3** with Uprights **2** and secure with M10x40mm Screws **A**

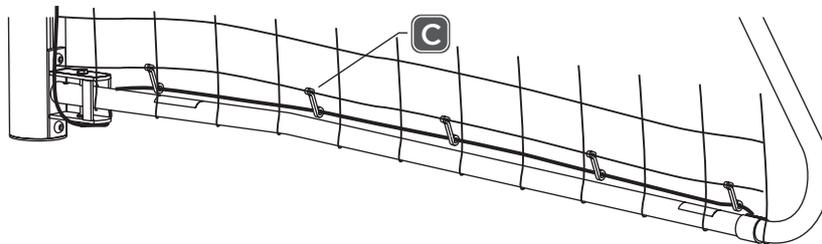

i **IMPORTANT:** Ensure that the Sideframes **3** fold **inwards**

Net

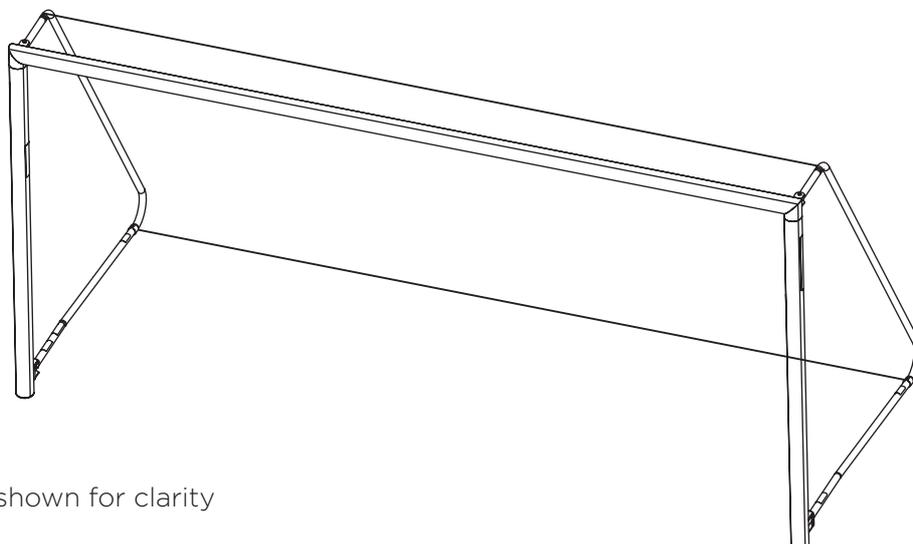

- 1 Starting in the corners, attach the Net Hooks **B** to the Net - 1 Net Hook every 3 meshes along the Crossbar and Uprights - and insert into the slot in the goalpost extrusion. Twist to lock

- 2 Attach a Net Clip **C** to every 3 meshes along the bottom of the runback. Loop the net under and around the Sideframe **3** and clip together

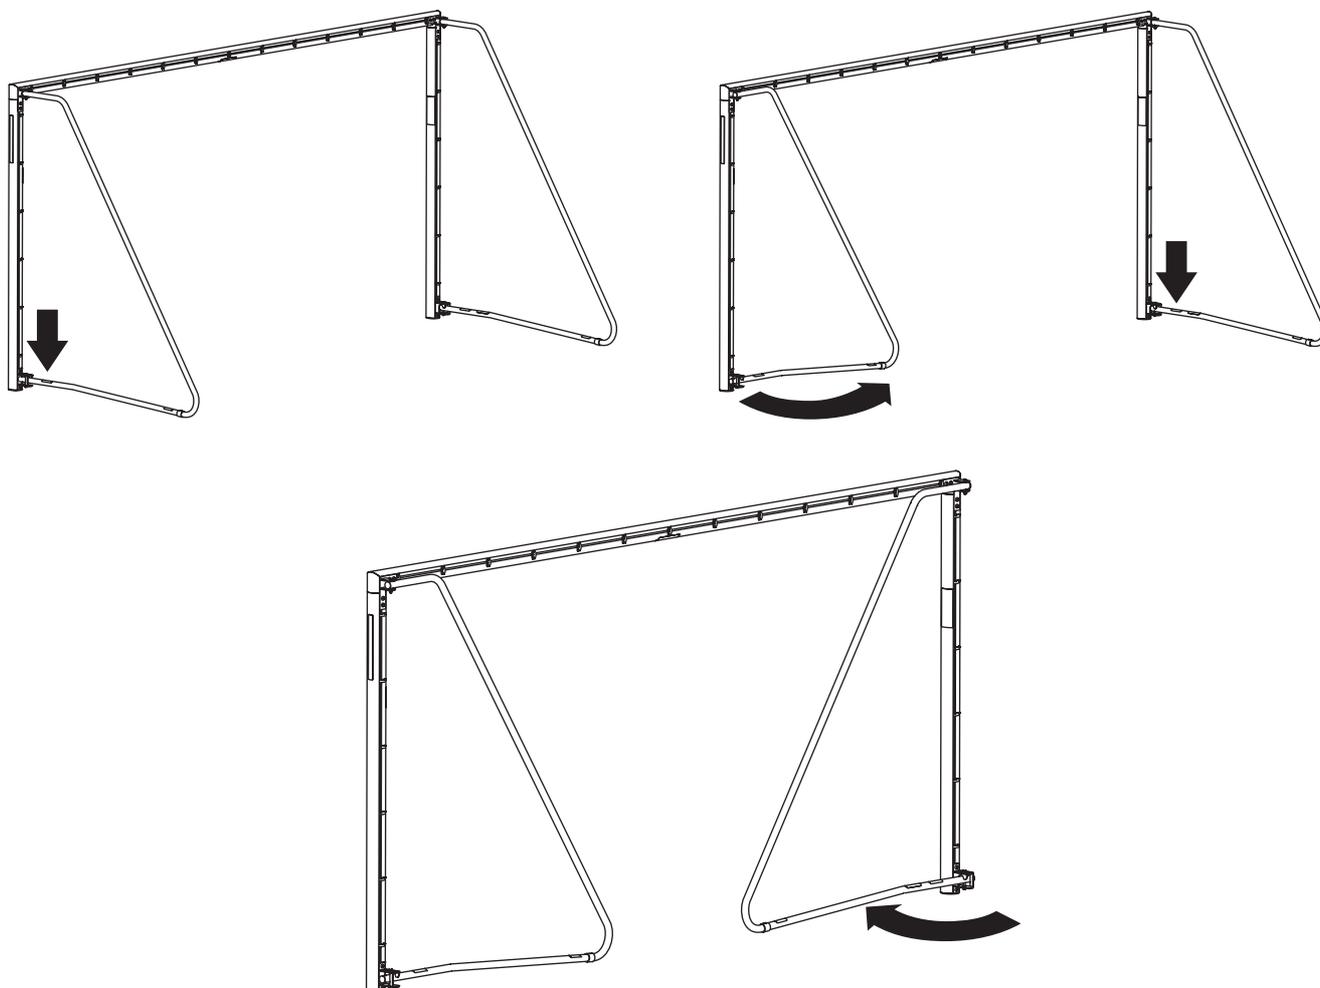

- 3 Join the Headline, packed with the Net, to the top and bottom of the Sideframe **3**, tying around a net mesh at the top and threading through the net along the bottom

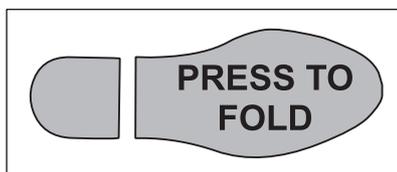

*net not shown for clarity

Operation & Transportation

-  **1** Press down on Sideframes **3** where indicated and fold inwards until locked in place. Repeat for the other Sideframe. Two people are required

 **HINT:** Push down on Sideframes **3** in the location as indicated by label below

-  **2** To unfold, press down on Sideframes in same place and fold outwards until locked in place

 **IMPORTANT:** When moving the goalposts, a **minimum of two people** are required for safe transportation

Anchoring

Turf

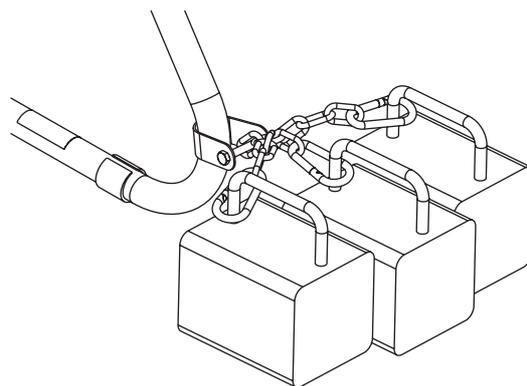

- 1 Using the U Pegs **D** supplied, position over the label in the corner of both Sideframes **3** and hammer into the ground at 45°

Artificial, Concrete & Indoors

- 1 Using ANC-014 (sold separately), clamp the U-Clip to both Sideframes **3** and attach the required number of Handbag Weights to both Sideframes

WARNING: Goals **must be anchored at all times** using the appropriate system for the intended playing surface

IMPORTANT: Senior and Mini-Soccer goals require **6x ANC-014** in order to meet British and European Standards

HINT: Please quote **ANC-014** when contacting your distributor for more information on Folding Club Football Anchor Kits
